Your Success is Our Business

The St. Tammany Economic Development Corporation means business. Our team works daily to develop solutions that cut red tape, customize workforce development programs with local colleges and universities, invest in site development, and convene public and private leaders to constantly improve doing business in St. Tammany. With decades of combined experience on our team, we have spent years perfecting our craft to save companies time and increase speed to market. Each company considering St. Tammany Parish has a dedicated project manager that works diligently to ensure the best operating environment for the company from groundbreaking to milestone anniversary celebration.

Grow in the Gulf

The Gulf South Commerce Park in St. Tammany Parish is 1,000 contiguous acres of available land for large-scale logistics and distribution, advanced manufacturing, R&D, sustainable businesses, and health and science companies.

An aerial photograph of a large, rectangular industrial building under construction. The building has a flat roof and is surrounded by a dense forest of tall trees. In the foreground, there is a large, open area with some construction equipment and materials. The overall scene is in shades of blue and green.
